FoRPS will be running the Rainbow Raffle at the Holly Fayre again this year, but they need your help. Simply send in items of a certain colour to go into a box of goodies, and all seven boxes will be raffled to raise money to support your child's learning …

… Donations can be anything you'd like to win:
Reception – red items
Year 1 – orange items
Year 2 – yellow items
Year 3 – green items
Year 4 – light blue items
Year 5 – dark blue items
Year 6 – purple items …

… Just send donations into school with your child and they will put them into the correct box. Which year group will produce the best box? The year group with the most donations will get an extra 15-minute play time!

Thanks to the FoRPS ladies (especially Mrs Cole) for organising the fabulous bingo night & the spooky Hallowe'en discos. Do come along to the FoRPS meeting on the 14th November to help prepare for the Holly Fayre.

The 100% attendance prize draw winner this week is …
Finley
in Dragonflies!
Enjoy spending your £10 Amazon voucher!

Schools across the country will be celebrating Maths Week England from the 11th November when children will enjoy maths of all kinds. There will be a national competition for the older children & look out for Miss Leftley's family challenges.

Book Fair will be in the hall after school from Thursday 14th – Tuesday 19th November inclusive, a great chance to do some Christmas shopping & boost our commission! There are options to pay online, by card or by cash.

Great news!
If your child is entitled to income-related free school meals, you could get a £15 voucher every month until at least March, and £45 in December. See the office for a claim form if you haven't already registered.

We hope all our friends and families enjoy a happy and restful half term break, and we will see you all back in school at 8.45am on Monday 4th November.
