All Year 1 parents are invited to a phonics workshop with Mrs Davies next Wednesday afternoon at 2.30pm. Come along and find out how to support your child's phonic learning and development.

Does your child cycle to school? Do you make sure they are wearing a cycle helmet every time they get on their bike? Teaching them the vital importance of this type of protection may well have life-saving consequences.

Starting next week, some of our Year 4 and 5 children will be swimming at the refurbished leisure centre in Diss. The Year 5 group will be the very first to use the pool, so look out in case we hit the press!

Well done to all those who entered the Christmas tree competition at the doctors' surgeries. The five Roydon winners have been notified.
