Year 3 & 4 parents: Please note that your children's assembly has been changed from Thursday 6th February to **Wednesday 12th February** due to Year 4 swimming. Sorry for any inconvenience.

We hope our Reception parents will join their children for a Listen, Learn, Explore session on Friday 7th February. Stay for an hour to work with your child and see how they learn.

Not only do our lovely FoRPS ladies spend hours of their own time organising and supervising fundraising events, they also gave up another couple of hours last night for safeguarding training – thank you ladies!

We know the weather can change within minutes, and children often go outside come rain or shine. That is why it is so important for children to have a NAMED coat in school every day. Don't get caught out!

The 100% attendance prize draw winner this week is …

Leo

in Badgers!

Enjoy spending your £10 Amazon voucher!

This week, we were informed that the SHIP (our two new classes to support children with special needs) is now due to open in January 2026. The building work should start in April.

Do you have a few minutes spare at the beginning or end of the day when you could hear children read? Even 15 minutes once a week would be fantastic. Contact your child's teacher or the office if you can help.

Are all your child's clothes named? You would not believe how many hundreds of pounds worth of clothes end up in lost property. Save yourself some money and NAME EVERYTHING!!

Thanks to parents for filling in the Horrible Histories form. The trip will go ahead, but people do need to pay their voluntary contribution. Details to follow.
