Make sure you have your child's year group assembly in your calendar and join them to find out what they have been learning. Please remember that no pre-school children or babes-in-arms can be brought to these events.

We are very grateful to our sports leaders who support the younger children at lunchtimes so they can enjoy a happy, busy time playing games with their friends and using sports equipment safely.

Just as children cannot keep their phones with them at school, they cannot have smart watches with them either. Please ensure these are left at home as any brought in will be kept in the office until the end of the day.

Thanks for all the EDP sports tokens you sent in. We were delighted to find we had collected enough for a 'Throw Pack' of sports equipment worth £250! This will be much appreciated by all children in school.

The 100% attendance prize draw winner this week is …
**David**
in Dragonflies!
Enjoy spending your £10 Amazon voucher!

The week after next, it will be Safety Week – a whole week of learning how to keep ourselves safe in different scenarios. Please talk to your child about their learning to reinforce the messages they are taught.

Disco tickets are on sale for the 10th February –
5.00-6.00 for infants
6.15-7.30pm for juniors.
Phones and smart watches must be left at home – this rule must not be broken as it is a safeguarding issue.

Don't forget Reception's Listen, Learn, Explore next Friday. Send your child into class as usual, come round to the front door to sign in, and then you will be welcome to join them for an hour in the classroom.

The FoRPS Valentines sales will be held after school on the last two days before half term. More details to follow.
