We are always keen to plan educational visits to support learning. However, we can only continue to go on trips if the vast majority of parents pay the voluntary contribution towards the cost. We don't want to have to stop taking the children out for adventures!

The FoRPS ladies are getting very excited about the 'Glow in the Dark Discos' on Monday. We do still need three more volunteers to help with the infant disco between 5.00 & 6.00pm, please. No experience necessary!

If you let your children play on our climbing equipment after school, we need you to be aware that they must be supervised by you, they are not covered by insurance, first aid treatment may not be available, and they cannot use the toilets.

We are looking forward to Olly Day's visit to the Year 3s and 4s after half-term. His free magic show is very clever and teaches pupils some very important messages. Sadly, it is only available for children in these year groups.

The 100% attendance prize draw winner this week is …

Jesse

in Hedgehogs!

Enjoy spending your £10 Amazon voucher!

Just to give you a heads up, our World Book Day celebration will be on **TUESDAY 4th MARCH**, not Thursday 6th which is World Book Day. Children can dress up as their favourite book character, so get your creative thinking caps on!

Please remember that we cannot accommodate pre-school children or babies at the assemblies that are coming up. These are an opportunity for pupils to share their learning, rather than an entertainment or performance.

Calling all quizzers!

FoRPS Quiz & Chips

Friday 7th March

6.00pm start

Chips £2

Cheesy Chips £2.50

Community event!

Sorry about the incorrect information on last week's Heads Up. There will not be Valentine sales next week.
