

## Prehistoric and Mythical Stories

We are going to a creature hunt to see what we can find?

In literacy we are going to be looking at stories with prehistoric animals and different mythical stories such as the Gruffallo.

We are going to be designing our own stories and making clay and junk material models to go with our stories.

We are going to be practicing our pairs to 10, doubles, halves and adding and subtracting strengthening our concept of number.

In art we are going to be exploring different media such as chalk, charcoal, crayon, pastel and paint to create pictures of our creatures in different settings.

Over in the tree house we will be exploring musical instruments to retell our stories using music to add effect.

We are going to be working on athletic skills in PE. Practicing javelin, throwing, jumping and moving with control.

We will be going on an existing trip to Thetford High Lodge - where we will be searching for the Gruffallo!

We will also be collecting different natural resources to use back in school.
