Please note that, on Monday, the session bell will be switched off because some children (and adults!) find it very loud and unsettling. That means no bell to mark the beginning or end of the day. Everyone will have to rely on clocks and help each other to be in the right place at the right time!

Thank you so much to our FoRPS ladies for running Book Fair for us and raising yet more funds to support your children's learning.

Maths lessons are so much easier when you know your times tables, and who wouldn't want to make life easier for children? If your child is in Years 1 to 6, come along to the hall at 9.00am on Wednesday 26th to find out how.

Our sugar mountain is a bit stuck as a hill! Please pop a bag of sugar in your shopping next week to donate to the Sugar Appeal and help save the lives of homeless people this Christmas. Donations will be collected on 11th December.

The 100% attendance prize draw winner this week is …
Betty
in Squirrels!
Enjoy spending your £10 Amazon voucher!

Christmas Lunch
It is really important to remember that you MUST order a Christmas lunch for your child for Wednesday 10th December, OR provide a packed lunch. Meals will be cooked to order so please make sure that your child will have a meal that day.

Don't forget that the non-uniform day next Friday is ONLY for those children who bring a donation to the children's or adult tombola for FoRPS Holly Fayre.

There is still time to visit Book Fair after school on Monday and Tuesday next week to pick up some good quality early Christmas presents.

Well done to Year 5 who collected the most items for their purple Rainbow Raffle hamper. Enjoy your extra playtime.
