Christmas Lunch
On Wednesday 10th, the kitchen ladies will only cook the lunches that have been ordered. You will need to provide a packed lunch if you have not ordered a Christmas lunch by next Friday. Please don't forget!

Thanks to all you lovely people who bought books from Book Fair, and to the FoRPS ladies for running it, our library now has £232.69 worth of new books in it, absolutely free!

If your child has a disagreement with another child at school, please come and see us rather than trying to sort it out with the other child's parents. There are two sides to every story and remember your child may not give you all the facts!

Please do not allow debts to build up for lunches. You wouldn't go to a restaurant and expect to pay for your meal a few weeks later!

The 100% attendance prize draw winner this week is …
Leo
in Dragonflies!
Enjoy spending your £10 Amazon voucher!

Last week, in total **three and a half days of learning** were lost by children being late for school. You may think a few minutes don't matter, but it is learning time the children never get back.
