Children in the Beehive have been busy bees this week learning about penguins – making puppets, finding hidden penguins in glittery snow, and eating chocolatey marshmallow penguins! The most marvellous meal this week was cheese & potato pie with cherry tomatoes!

We hope you will join us for your child's assembly over the next couple of weeks. Please remember these are a chance to find out what your child is learning, not a performance, so please no pre-schoolers or babes-in-arms.

We are pleased that Adrian Ramsay MP will be visiting us on Monday morning to have a look around the SHIP. We know he will be as impressed as we are by the new learning spaces we have.

We are really looking forward to our first children joining our classes in the SHIP after half term. The younger children will be in Starlings class, while the older children will be Kestrels. They will be visiting for transition mornings over the next two weeks.

The 100% attendance prize draw winner this week is …

Isla

in Otters!

Enjoy spending your £10 Amazon voucher!

We still need new lunch staff to supervise the children between 12 and 1pm, including someone to work with our new children in the SHIP. Call 01379 642628 if you are interested.

This week, over a whole school day's worth of learning has been lost due to lateness! Children who miss the beginning of a lesson find it very hard to catch up.

Please remember that the school office is closed on Friday afternoons, except for emergencies. Please email rather than popping in!

Have you seen our lost property mountain? Is your child's unnamed clothing in it??
