Beehi(ve)**lights** this week have been painting bees (not real ones!), kinetic sand and baking fairy cakes. Our tastiest tea was all made at the Beehive – cheese muffins, followed by banana bread. Did you know that the activities for each session are planned by qualified teachers?

Please remember that mobile phones are not allowed at the school discos. As everyone must be collected by an adult, there is no need for children to bring their phones along at all.

On Monday 23rd February, all those who have made their scout or guide promise are welcome to wear their guiding or scouting uniform to school to celebrate Thinking Day/Founder's Day.

Thank you so much to those parents who respected the needs of our children and arranged for their pre-schoolers/babies to be cared for elsewhere instead of bringing them to the assemblies this week.

The 100% attendance prize draw winner this week is …
Victoria
in Otters!
Enjoy spending your £10 Amazon voucher!

How exciting for our Young Voices choir to be travelling to London after half term to sing in the O2 Arena with the largest children's choir in the world!

Please do not bring dogs onto the school site unless they are assistance dogs, or by prior arrangement with the senior management team.
Many thanks.

We need some more help at the junior disco on Monday. Please email roydonforps1@gmail.com if you are free to help and you will receive a free ticket for your child.

Please remember that Roydon Primary School is a no smoking site, and this includes vaping.
