The **Beehi**(ve)**lights** this week have been an obstacle course and gardening in the sun. Tasty treats were fish fingers!
The Beehive is signed up to the Tax-free Childcare and the Universal Credit for Childcare Schemes, to help bring down the cost of sessions. Ask in the office for more information.

Well done to the junior children who went to London on Wednesday to join Young Voices, the world's biggest children's choir, to sing together and have fun! It certainly is an experience to remember.

Enormous thanks to Miss Leftley for working with the Young Voices choir over the last few weeks, and to Miss Leftley and Ms Keen for taking the children to the O2 and back. It was a very long day, and very long night, for everyone, but it was definitely worth it!

Thank you to the FoRPS ladies for organising the Mother's Day sale coming up on Thursday and Friday, 12th & 13th March. If children would like to bring in £1, they can buy a present for their mum, nanny or other care-giver, all ready for Sunday 15th.

The 100% attendance prize draw winner this week is …
Niamh
in Foxes!
Enjoy spending your £10 Amazon voucher!

Please remember that only those with a parking permit issued by the school are allowed to use the staff car park at drop off and pick up times. This includes the disabled spaces that should be left for those who need them.

Please be aware that the safety matting under the high climbing sections of Stannard Park needs replacing. Please do not allow your children to use those sections before and after school.

Look out on Class Dojo for any requests from teachers for hat-making resources this week! Some classes already have everything they need, but some may need your help.

Our governors are AMAZING! Despite being volunteers, they had an adviser observe their meeting on Friday … and they held themselves to account superbly!
