The **Beehi(ve)lights** this week have included playdough (for the oldest and youngest alike!) and games of Uno. Two favourite meals were chicken stir fry and cheesy veg-topped muffins!

Don't forget that you don't have to be a working parent for your child to attend the Beehive. Why not let them start or end the day gaming, creating, exploring, playing or just chillin' with their friends?

If your child has read or received unkind messages on social media, please show them how to leave a group, change their settings so they cannot be added to a group, and delete apps entirely. In school, we teach children what we can about online safety and responsible use of the internet, but all parents need to be aware of their child's online safety and behaviour.

If you can buy an Easter egg to send into school on Monday 23rd March, your child may wear non-uniform on that day to say thank you! All eggs will be used as prizes for the Grand Easter Egg Hunt on Thursday 26th

The 100% attendance prize draw winner this week is …

Brodie

in Dragonflies!

Enjoy spending your £10 Amazon voucher!

We are looking forward to working with members of our community over the next couple of weeks - Sergeant Phillips and PC Baker, the Schools' Mental Health Team, and the residents at De Lucy House. We are can't wait for the exciting science Workshops as well!

The FoRPS ladies would love to see you if you are free after school on Thursday next week. Come along to help them prepare for our upcoming events.

Has your child ever told you that someone misbehaved and no-one did anything about it? Please remember that we deal appropriately with all misdemeanours, even if it is not done for all to see

Don't forget the Mother's Day sales next week. Just £1 could save you all the stress of organising a surprise for someone special!
