Beehi(ve)**lights** this week have included learning about endangered species – making shoebox habitats for them and playing Top Trumps. Tasty teatime treats were stir-fry noodles and butterscotch Angel Delight.

Please spread the word that we still need a lunchtime lady to help make our lunch breaks safe and happy. It is for one hour a day, five days a week working with a fabulous and supportive team.

The Year 6s are planning their fundraising activities for Enterprise Afternoon when everyone will be invited to bring in a pound or two to buy what they have made or created. More details to follow.

We hope the Year 4s are looking forward to their residential at How Hill next week. Please read the last letter really carefully to check what the children need … and DON'T need!

The 100% attendance prize draw winner this week is …

If your child is in Year 4, they will be taking the times tables check after half term. Help to speed up their answers by testing them over the next couple of weeks!

We are owed £136 in dinner money. Please settle your debts!

Well done to our Year 6s for working so hard this week and taking the assessment papers so seriously. We are very proud of the effort you put in!
