Beehi(ve)lights this week were playing with the parachute and keeping cool with feet in a tray of water! Jacket potatoes with cheese and beans were the yummiest teatime treats and, of course, jelly and ice cream.

Well done to the children & staff for soldiering on this week, despite the high temperatures. We are grateful to the staff for changing plans for Thursday so quickly to give the children a fun, chilled day of activities. A good time was had by all!

For seasoned Busking Day attendees, you will notice that the format is a little different this year. Each class will come out to the field to perform, and they will join together at the end for the grand finale. The entertainment starts at about 11.15am & the BBQ should be ready when the last song has been sung. Don't forget your picnic chairs or blanket!

We are so disappointed that we have had to postpone the FoRPS Summer Social. We will see you in September instead for a cooler evening of fun.

The 100% attendance prize draw winner this week is …

Evah

in Woodpeckers!

Enjoy spending your £10 Amazon voucher!

Please do come along to the FoRPS meeting on Thursday 9th July. As a charity, the committee needs to hold three formal meetings a year with a minimum attendance, so come along to find out what they have planned in the next few months.

Please do not send bottles of sun cream into school. You would not believe how far one child can spread one bottleful!

We would really appreciate parents remembering that the office is closed on a Friday afternoon, except for an emergency. Please email any messages rather than phoning or popping in.
