Beehi(ve)lights this week have included summer crafting to create sun pictures and sun catchers, and making rice krispie cakes. Dippy eggs and toast soldiers were a nice surprise, and strawberry Angel Delight is always a favourite.

We hope you enjoyed Busking Day as much as we did! Well done to the children and staff, and thank you to the audience for their enthusiastic support of the children's performances.

We understand that some children will be disappointed not to see the match in the early hours of Monday. However, the wonderful Mr Dynan has offered to show the match highlights in his classroom at lunchtime for any children who would like to join him. Obviously, we cannot condone children being awake between 1 and 3am, so absence and lateness will be unauthorised.

Leavers' Lunch

Please note that our leavers have decided that the hot option for all children on Wednesday 15th will be burger in a bun, potato wedges & beans, followed by chocolate crunch.

The 100% attendance prize draw winner this week is …

Evah

in Woodpeckers!

Enjoy spending your £10 Amazon voucher!

We are so grateful to the huge numbers of you who have allowed us to keep your voluntary contribution to the cancelled Norfolk Show visit. We also want to show huge appreciation to those who have paid since we cancelled. You are all much appreciated (as is your £6!)

If your child has iRock lessons, make sure you have their concert on the 14th in your diary. The show starts at 2.30pm.

We are disappointed to have to remind our families that vaping is not allowed on school grounds, and especially not in the presence of our children.
