Your children have astounded us by how quickly they have settled back into school this term, and we are all loving the busy, positive atmosphere in every class.

The FoRPS ladies are getting ready for their AGM next Thursday, but they are very lonely! They do not have enough support to run the committee or events, and that means the money won't be raised to support your children's learning. They are not asking for much – just come along and find out what YOU can do to help them.

PLEASE remember that the office is closed on a Friday afternoon. Emails are monitored throughout the afternoon, so please only phone if it is a genuine emergency.

Simon Andrew, our Parent Support Adviser, is looking forward to sharing coffee, delicious cake and a chat with anyone who was to join him. Come along and find some sanity in this crazy world of parenting!

Don't forget to get your tickets for the FoRPS' Summer Social on Friday 25th. Come along for stalls, games, music, BBQ and chillin' in the sunshine (we hope!). Unrefunded tickets bought before the holidays are still valid.

This week's winner of the £10 Amazon voucher for 100% attendance is …
Izabelle in Otters!

The class who will enjoy an extra playtime for best attendance this week is …
Squirrels (87.11%)!

Please remember that the road outside school is a ***clearway***. That means it is illegal to stop, even to drop someone off. Please do not put our children's lives at risk by stopping anywhere near the gates.

Beehi(ve)lights this week have included chalking outside, friendship pictures, and modelling clay. Favourite meal was fish fingers, and everyone loved meringue nests with fruit and strawberry sauce!

Please could the owner of the bike that has been chained in the bike shed all holiday remove it by the end of next week?
