Come to your child's class straight after school on Wednesday 7th October so your child can show you their books and share what they have been learning. The following week you will be able to book a parent consultation meeting to talk to their teacher.

Look out for details of when you are invited to come to one of your child's lessons in the next few weeks, and come along to see what they get up to in the classroom. Our first special guests are the Year 5 & 6 parents who are welcome to come to a DT lesson when you can help your child learn to sew. Please come to the main office for 1.45pm. Sadly, we cannot accommodate siblings at these sessions.

The children will be going to Roydon church next week for a Harvest Festival celebration. Look on Class Dojo to see if your child's class needs adults to walk to the church with the children.

World Mental Health Day is on Saturday 10th October, so we will be marking the occasion on Friday 9th by wearing yellow. Children not wearing yellow should come to school in uniform as usual.

Beehi(ve)lights this week have included magnet towers, crafty hedgehogs, and pizza-making. Obviously, pizzas were the meal of the week, and Mrs Ahmed's flapjacks were deeeeelicious!

This week's winner of the £10 Amazon voucher for 100% attendance is …
Benjamin in Hedgehogs!

The classes who will enjoy an extra playtime for best attendance this week are …
Squirrels (97.92%)

We are still struggling to recruit lunchtime supervisors to help our children enjoy safe and happy lunchtimes. Please spread the word as we know there are some fabulous people out there who would make a real difference to our pupils' day. Our children can't wait to meet them!
