We are really pleased that some Year 2 children will be visiting De Lucy House to share their reading with the residents, starting next week. We don't know who enjoys it most, the young or the not-so-young!

We hope the Year 5 & 6 parents enjoyed sewing this week. The week after next, it is the turn of Year 3 & 4 parents for a design technology lesson, and Year 1 & 2 parents to join us for a reading café. There are also assemblies that week when children will be showcasing their learning. Please remember that we cannot accommodate younger siblings, including babes-in-arms at any of these sessions.

See Class Dojo to book a parent consultation to talk with the class teacher about your child's learning.

The infants need lots of parents to help the children to get to the church safely. Please do offer to walk with them if you are able to. It would be lovely if children could bring a non-perishable, in date food item to donate to the Waveney Food Bank.

This week's winner of the £10 Amazon voucher for 100% attendance is …
Daniel in Dragonflies!

The classes who will enjoy an extra playtime for best attendance this week are …
Dragonflies (99.13%)

World Mental Health Day is to raise awareness of the importance of good mental health, and is not a fundraiser. Children should wear yellow clothes, or uniform with yellow accessories, or uniform. It is not just a non-uniform day!
