We are really pleased to be collecting for the Sugar Appeal again this year. Over the coming months, shelters for the homeless use thousands of bags of sugar to provide energy boosts in hot drinks and biscuits. To support them, we simply collect bags of sugar – any brand, any type, any size. Just bring them along to school to add to our sugar mountain, before your donations are collected on 11th December.

So far, the children's amazing spelling efforts have raised a fabulous **£1,153** for our school! If you have any more money to pay in, we would really appreciate receiving it by the end of next week so we can announce our grand total. Thank you.

We hope you have seen the posters about the FoRPS Rainbow Raffle. We start collecting contributions on Monday. Check your child's year group colour and send in something of that colour that you would like to receive in a hamper. Items can be sent to your child's class, but please take alcoholic donations to the office.

We hope you have been able to visit the Book Fair this week. Books will be on sale again on Monday and Tuesday, so don't miss out on some early Christmas presents!

This week's winner of the £10 Amazon voucher for 100% attendance is … **Edie** in Rabbits!

The class who will enjoy an extra play-time for best attendance this week is … **Otters!**

We are looking forward to Maths Week England next week – Maths on the Move. Check out Miss Leftley's daily family challenge on the school's website, encourage children to improve the TTRS rock status, and look for maths opportunities while you are out and about.
