Another half term of busyness has flown by, albeit a very short half term! Even so, we are all reeling from the amount that has been packed into less than five weeks. The sunshine has really helped, meaning that the children can be learning outside as much as possible. Isn't it good to see the sun getting in some practice before summer officially starts – hope it lasts for you all next week. So, what has been going on...

# HEADLINES

### Dressing Up Day

Don't forget to get your book character costume ready for Monday 10<sup>th</sup> June when we start our Literacy/Science Week. Pinterest is a great place to look for ideas.

### Mr Pawsey, our Lego hero!

Thank you so much, Mr Pawsey, for counting every one of the 10,670 Lego tokens sent in! We will have to wait to see if we are one of the top three schools, but at least Mr Pawsey can have his evenings back!

### Have you visited our website recently

at [www.roydonprimary.co.uk](http://www.roydonprimary.co.uk)?  
Don't forget to like our Facebook page for all our latest news.

### Sundae on a Monday

FoRPS will be celebrating the fantastic summer weather (we hope) by selling ice creams after school on a Monday, starting on 3<sup>rd</sup> June. Thank you ladies!

### Cycling Proficiency

If your child is in Year 4 or 5, look out for information about some free cycling proficiency sessions coming up. All they will need is a bike in good working order, a cycle helmet and a signed consent form.

### Lost Property

No sooner do we get rid of the Lost Property mountain, than the cupboard is full again within a matter of days. PLEASE make sure all your child's clothing is CLEARLY labelled with their name so that mislaid items can be returned to you. It must be costing some of you a fortune to keep your children clothed!

Race for Life

# More reasons to celebrate

## Race for Life

Round and round and round they go! If the number of laps of the field completed today is anything to go by, we will have raised LOADS of money! Lots of tubes of coins were sent in today, along with some sponsor money donated already, amounting to £303.74. Along with the £165 donated online, we are very close to smashing our target already. Please could you send money to your child's class teacher by Friday 7<sup>th</sup> June, and don't forget you can donate on our Cancer Research UK Giving Page. Find us at <https://fundraise.cancerresearchuk.org/page/roydon-primary-giving-page-1511>, or search for Roydon Primary School at <https://fundraise.cancerresearchuk.org/>. Thank you for all your fundraising efforts.

## FoRPS Summer Fayre

For a number of reasons, the Summer Fayre will now be held after school on Friday 20<sup>th</sup> September – hopefully the sun will still be shining! Come along and see our new school!

## The dreaded SATs!

Well done to all our Year 2s and Year 6s who had such a positive attitude towards their learning during their SATs assessments this month. Your hard work has certainly paid off and we are very proud of you all!

## Good manners

Miss Bower, one of our Governors, has been working with the maths and ICT team to investigate children's understanding of online safety. Not only was she impressed by the children's knowledge, but also by the courtesy and respect they showed when talking to her, and their politeness. We are proud of all those who took part.

## Diss Carnival

The Carnival Committee has been very busy preparing the Roydon Primary School float for 9<sup>th</sup> June. The procession starts at 12.30pm – pop along and give them a cheer!

## Thanks again!

Our lovely FoRPS ladies have raised even more money this half term – around £470!! Thanks to Paul Dove for being our Bingo Caller, and to Vanessa and her team for the Bingo Night, Movie Night & Bag2School collection. Next stop, the Family BBQ on Friday 5<sup>th</sup> July.

## Building work

Several of us have been over to wander through the rooms in our new building. The space is ENORMOUS, and teachers are busy claiming classrooms for September!! We can't wait to show you.

## Ringsfield Hall

Thank you soooooo much to Mrs Lister, Mrs Walsh and Mrs Collis for giving up two nights with your families to take our Year 4s to Ringsfield Hall. The children learned such a lot about looking after their environment and themselves. We hope you slept well last weekend!

## A beautiful partnership

Did you see us in the Diss Express? The Year 1 children who visited De Lucy House to share stories with the residents had a fabulous time, and the residents really enjoyed it, too! This is a fortnightly visit that will continue next term thanks to Miss Willer and Mrs Rush.

## Invitations

Keep an eye out next term for all the events to which you are invited: parents' evenings, class assemblies, Busking Day & BBQ, Enterprise Afternoon, Sports Day, Coffee Mornings, Leavers' Assembly (Year 6), and Infants' Around the World Week (3<sup>rd</sup> – 6<sup>th</sup> June, 9.00 – 10.00am).

## Cluster events

Our children make us so proud of them when they represent our school in inter-school sporting events. It really isn't about the winning (although they frequently do!!), but we are always enormously impressed by the sportsmanship they show – they have the certificates to prove it! Well done to our tag rugby players, our Kwik Cricketers, our football teams (girls and boys) and our Quad Kids!

CANCER RESEARCH UK

AGE RESTRICTION  
**13+**

Snapchat is a photo sharing app for mobile phones and tablets. The app allows users to share images, videos and chat with friends. Users can share images and videos directly to specific friends, or through a 'story' shared with their entire friend list, which documents the previous 24 hours. In a study, Snapchat was ranked the 4th most negative app in terms of having an impact on young people's health and wellbeing, with children feeling that they can use the app Snapchat to "make you look pretty."

# What parents need to know about **SNAPCHAT**

## EXPOSING YOUR CHILD'S EXACT LOCATION

The 'Snap Map' lets you share your EXACT location in real-time through a map on the app. The user's location updates when the app has been opened on the device. There is a warning on the Snapchat website about uploading images and videos to 'Our Story', stating that "snaps you submit to 'Our Story' can still show up on the Map, no matter which location setting you choose!" When uploading to 'Our Story', your child's image or video could appear in "Search results and Stories on or off Snapchat - today or in the future."

## LENS EXPLORER

The 'Lens Studio' on Snapchat gives users the freedom to use their imagination to design their own filters for themselves and others to use. Snapchat states that the lenses users create "must comply with our Lens Studio Submission Guidelines and Community Guidelines and must be appropriate for Snapchatters ages 13+." The 'Lens Explorer' in the app now enables users to choose from thousands of these creations to alter their snaps. Anyone can create a lens for Snapchat, which gives opportunities for age-inappropriate content to be uploaded.

## SCREENSHOTS & SAVED MESSAGES

While Snapchat's gimmick is that all photos, videos and text disappear eventually, users still have the capability to screenshot or record anything which has been sent to them. Users may sometimes forget that screenshotting is possible and send a compromising image or message to somebody who they think they trust. They may also accidentally send an image or message to somebody who they do not trust. Simply by pressing and holding a message, the user is able to save a message they have received, which can be screenshotted or used against them at a later date.

## SNAPSTREAKS & ADDICTION

'Snap Streaks' are gained when snaps have been sent back and forth consecutively between friends. The longer that snaps are sent between users, the longer the streak becomes. Furthermore, Snapchat rewards users who have achieved high Snap Streaks, by gifting emojis, adding incentives for users to keep the streaks. Children invest time into making their streaks as long as possible, which can put an incredible amount of pressure on both themselves and their friendships.

## SEXTING

Due to 'Snaps' disappearing, (users can even send a one-second photo or video), Snapchat has become the chosen platform for children and young people to send sexually explicit images or 'selfies'. Once a photo/video has been screenshotted, or recorded using another device or software, this can lead to further dangers, such as blackmail and cyberbullying. It is illegal to make, possess, download, store and share sexual images, photos and videos of a person under the age of 18. This also includes any sexual images, photos and videos that a child may have taken of themselves. However, if a young person is found creating or sharing images, the police can choose to record that a crime has been committed, but taking formal action isn't in the public interest.

## SNAP ORIGINALS

Through 'Snap Originals', users can watch content which has been created by Snapchat on the app, including comedy shows, drama, news and more. Additionally, there are new lenses and filters available, inspired by the 'snap originals' shows. This is another feature to encourage addiction.

# Top Tips for Parents

## THE RISKS OF SEXTING

It can be slightly awkward talking about this topic with your child, but if it helps them protect themselves, it is worth it. Talk to them about the consequences of sexting and make sure that they're aware of the risks. Ensure your child knows that 'Snaps' can be screenshotted. Teach them that if they post anything potentially embarrassing or harmful (either of themselves or someone else) it can have severe consequences as the message, image or video can be shared further.

## REPORTING A STORY, LENS, FILTER, SNAP OR MESSAGE

If your child comes across inappropriate Snapchat content sent directly to them or in another person's story, advise them to report it immediately. This may include an inappropriate lens, filter, message or snap. To report an offensive lens, they should open the app and select the lens they want to report. An info button will appear above the lens. Click this, followed by the flag icon. This will send a report to Snapchat for further investigation. Reports can also be made on the Snapchat support website: [support.snapchat.com](https://support.snapchat.com).

## USE 'GHOST MODE'

We highly recommend enabling 'Ghost Mode' on the app so that your child's location will no longer be visible to anyone on the 'Snap Map'. To enable this, go onto the Snap Map and tap the cog in the top-right corner. Here, change the setting to 'Ghost Mode'.

## HOW TO DELETE A MESSAGE

Advise your child never to send any negative messages (or images through gallery in the chat on the app) as screenshots can still be taken. You should also advise your child to screenshot any negative comments they receive as the sender can also delete them. To delete a message, simply press and hold the sent message and press delete.

## TURN OFF 'QUICK ADD'

'Quick Add' helps friends find each other on the app. This is based on mutual friends or if their number is in their phone book. Explain to your child that this feature can open up their profile to strangers. We highly recommend that your child turns off the 'Quick Add' feature. This can be done in the settings.

## RESTRICT STORY VIEWS

Your child can add videos and images to their 'Story' throughout the day which will last for 24 hours. By default, anyone in a user's friends list can see their story. We recommend checking the privacy settings to ensure that this has not been edited. This can simply be done in the apps settings under the 'Who Can View My Story' section. The options to choose from are 'My Friends', 'Everyone' or 'Custom' - we suggest that it is set to 'My Friends'.
