Spellings:

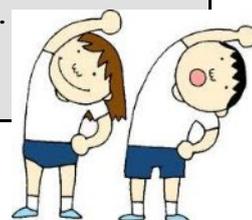

We will not be formally testing the children's spellings on a weekly basis but they will be issued with some words to learn using the 'Look, Say, Cover, Write and Check' method. Evidence of knowing spellings will be found within the children's work. At times, some of the words may prove easy for your child. You can extend their word skills by playing word games with them, such as hang man, scrabble and anagram games.

Reading:

Reading should be practised daily if possible and recorded in the reading record. Your child is responsible for changing their own reading book first thing in the morning before registration. They then put the book and record in the box to be checked by us. They will be reminded, but we do not go through their bags to check that they have done so. If you find at the end of the day that your child has not changed their book, you may collect one yourself, but please write a note in the record so that we can cross it off in our register.

Please make sure that your child has PE Kit on Tuesdays and Fridays and that it is clearly labelled with their name.

**Due to limited cloakroom space can you please provide a small, named PE bag.

Classroom/Library Helpers

We would be extremely grateful for any adult helpers who would like to come in and help with lessons or to hear the children read. We rely heavily on parental support as our busy timetable doesn't allow us to hear children read individually very often. Having an encouraging, friendly and supportive listener has a significant impact on children's reading.

Thank you to those of you who have helped us already this year.

Finally, if you have any questions, queries or concerns about your child please feel free to come and see us **after** school.

Thank you
Mrs Campbell , Mrs Kineavy and Mrs Bowen
